

Endless Options Supervisory News-

April 2020

Due to COVID19 all group outings and the upcoming dance continue to be cancelled.

To continue supporting your child's social skills we encourage using facetime, zoom, and other social networking to allow them to see and communicate with family members and friends.

If you need support or would like to have your student paired with a peer via Email, Facetime or Zoom, please reach out and we can help connect. With permission from the parent, we can create an email address for your student if they do not have one.
