

Endless Options Group Community Outing Summary

Date: _____ Activity: _____ Client: EO _____

Time In: _____ Time Out: _____ Technician completing Form: _____

- *Your client should be involved in **new learning activities** in each of the following areas during an outing.*
- *Please **target at least 3 opportunities** in each area.*

Community outing data sheets can be used instead of an ISS sheet when you are out for the day, if you do work in the home or go somewhere else in community before or after and then attend a community outing you should complete all appropriate data sheets.

What goals are they working on and how are they working on them?

Identify **social interactions** within the group dynamic. How did they interact with others?
